

ENCOMPASS

CAMPUS MINISTRY

OUR FIRST APPRENTICE

This fall we have had the opportunity to have Encompass' first apprentice, Savanna Wilson. Savanna graduated from Ohio University in the spring and decided to take a year to learn more about ministry before moving ahead in her Accounting degree.

FALL RETREAT

October 3-5, we went to Scioto Hills Christian Camp for the weekend to have teaching, worship, and fun in nature altogether. It was a special weekend as we had a lot of our first year students come. Chris Buxton, a mentor of ours, came and taught on different encounters with Jesus from the gospels. We ended the retreat with such a gift from God. Dylan Hartline decided to get baptized

as we were preparing to head back to campus from the weekend. He talked of how Jesus was not ashamed of him and his past failings and that Jesus deserves his life. God has been working in our students this whole semester and fall retreat was a sweet time to grow our community.

WELCOME WEEK 2025

Our welcome week was incredible. We handed out over 3000 flyers in hopes of meeting incoming freshman in search of their purpose. Our student leaders were committed to reaching this freshman class as we had some 10 hour days of inviting and meeting students during move in. We have been able to see the fruit of the work we have put in this semester as we have seen awesome growth, especially with freshman.

Annual Spikeball Tournament

BAPTISMS

Midweek and Small Groups

Pictured above are Dylan and Elizabeth who got baptized this semester. Pray for their new commitment to Jesus.

We have been so thankful to see God working in our Midweek gatherings and our student led small groups. We have been teaching the book of Genesis this semester and will continue in the next semester. We have so many that are new to faith so we decided to start in the beginning. We have averaged 40 students at our Midweek's.

This semester we had 6 student led small groups all led by our returning students who are committed to helping their peers grow in their faith in Christ. We have had 50+ students who have been in our small groups and we are rejoicing to God for the ways He has worked through them this semester.

Thanksgiving and Prayer

Thank you so much for your continued support of Encompass Campus Ministry and our family. We truly could not be making disciples at Ohio University if it wasn't for people like you who were willing to support our family being here in Athens. And for that we are grateful.

We are bringing close to 30 students to the Smoky Mountains in Tennessee for a retreat where we will spend time in the Word together and in worship. Our winter retreat always brings about awesome stories of growth for our students. Please pray that God would use this time in powerful ways and that God would continue captivating our students hearts through the gospel of Jesus Christ.

SUMMER MISSION 26

This upcoming summer, the Wolfe family will be leading a mission trip to Seoul, South Korea for 6 weeks where we will be teaching conversational English through the book of Luke on a college campus. We have 11 students who are going on the trip. We are exciting to share the gospel alongside our college students.

FAMILY UPDATE

Our family is doing great. Olivia and Charlotte are getting so big and love being a part of the ministry. Olivia is 3 now and Charlotte is 1 ½. Natalie and I are thankful to God that we get to steward these wonderful girls.

WAYS TO SUPPORT

On top of support raising for my salary, we are raising an additional \$8,800 so that our family can lead this mission trip in Seoul, South Korea. We would love for you to partner with us in this prayerfully and financially.
