In Guyana, there is a real struggle to attract faithful men and women who would decide to attend Preaching school for two years and because of this some of our churches in Guyana are shrinking heavily in membership.

Leadership cannot be developed if Preachers and Leaders are not properly equipped to serve – by knowing the word of God. It's a blessing to invest into the lives of these students! The Lord's church is going to be equipped with strong Leaders – when training takes place.

## **Baptisms were done at the Kuru Kururu Church of Christ During the Annual Vacation Bible School - 2022**

Very sad story and God Has Answered Our Prayers  
2022

baptized on 10<sup>th</sup> of August

In this picture is a teenager name Vashti Nandlall, age 15 years old. She attended our VBS. Vashti's mother is a Muslim and her father is a Hindu. Both parents have some knowledge of Jesus Christ but never got baptize. Vashti Nandlall said she loves Jesus Christ, and her desire is to follow Jesus and be baptize but her mother who is a Muslim said "No" to her baptism. Brother Reynolds Samuel her VBS Teacher, then went and visited here parents who live not too far from the building in Kuru Kururu and spoke with them. After a lengthy talk with the Parents – The Parents decided – to let her go and baptize!

In the picture – Brother Reynolds Samuel baptized here.

At the same time, the brother –

Ramesh Nandlall, age 13 years old – saw the sister getting baptize and he said too I want to be baptized. (In the Picture)

Brother Reynolds Samuel – taught him the scriptures and he got baptize the same day.

**Baptisms that were done during the period of the Medical and Evangelistic Campaigns that were held during August 1 – 5, 2022.**

**Eight (8) souls were saved**

Matilda Williams - Is buried into Christ

Michael Rampage Is buried into Christ

in the picture is Joseph Gordon of 250 Kuru Kururu, Soesdyke Highway, East Bank, Demerara, Guyana. He is 15 years old and was baptized on Friday, 5<sup>th</sup> of August 2022.

Joseph Gordon's Father died leaving them with their mother and six children. The church at Kuru Kururu visited this family and was very shocked to see the poor conditions of this family and the poor little house that all of them in the picture lives in.

They say when the rain falls, they do not know where to turn.

Joseph Gordon has a great heart for the Lord and wants to be a Preacher and said when he finishes completing his secondary school, he will apply to become a student at the Georgetown School of Preaching and Biblical Studies here in Guyana.

The Family was very grateful that the church visited them. I encouraged the family to give their lives to Jesus as what their brother and son Joseph Gordon did.

Let us pray for this family and for their daily needs. Pray that God open doors for this family who has no source of any income – that our God provides their daily needs and a home where they can rest peacefully.

We must thank God for what we have!

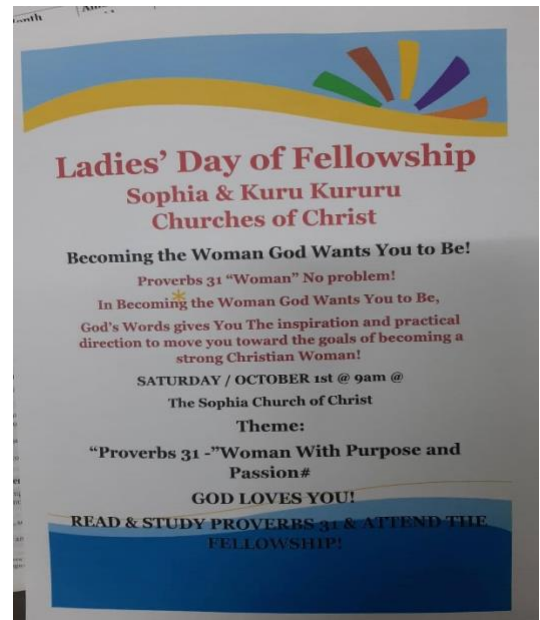

In the picture (which I was taken) some of the church members also in the picture visited the family and encouraged them to start attending the Kuru Kururu Church of Christ.

Great things are happening, and God is really blessing His Mission here in Guyana and you are a part of it – through your prayers and support.
