Shepherd KING

This Sunday begins a new preaching series on David: The Shepherd King. Embedded in the narrative (1 Samuel 12:14-15) is a new covenant from God that allows for a king. If Israel and the king follow the ways of the LORD, then it will go well for them. If Israel and the King rebel against the ways of the LORD, then they will suffer. The King and the People are all accountable to God's way. This sets the way for David. And David sets the way for Jesus.
