## KINGDOM MULTIPLIED

Hello everyone! We have an awesome announcement to share with you! God is multiplying the Kingdom after working abundantly the last 3 years in Athens, Ohio through the Sigmon and Wolfe partnership.

Haylie and Coy Sigmon are moving to Morehead, Kentucky to help plant a Church for the Campus at Morehead State University with Be1Make1.

## Gospel Advancement:

This isn't a goodbye—it's a sending! We believe healthy ministries multiply, and this is a beautiful example of how your support is making a Kingdom impact beyond our own walls.

Please join us in praying for them as they begin raising support for this new journey to Morehead State. And rejoice with us—because the Gospel is advancing through faithful obedience.
